

TESTIMONY OF ACADEMIC LEADERSHIP & DEVELOPMENT

Feedback from Africa Higher Ed Conference Organiser

Dear Dr Du Plessis

Thank you for chairing the Africa Higher Ed ICT Conference that was held on the 30th and 31st March 2011. Your innovative, practical, insightful and thought provoking comments was greatly appreciated by all conference delegates.

We are pleased by the way you handle all the speakers session after session. Your style of leadership added more colour to the conference. We also want to appreciate the presentation you gave and the exceptional work you are doing in ICT and Education as indicated in your presentation.

Your dynamic presentation in many ways contributed significantly to achieving the conference objectives. We do hope you will continue to develop and implement emerging and innovative ways of transforming teaching and learning through ICT.

Once again, thank you.

Kind Regards

Ola Odejayi
