## Important general information

### Online registration

**Important note:** You can do your own online registration from your own device. Registration sessions have been scheduled for students who may require assistance with their module selection.

Admitted on-campus residence students can register online for residence. You can do this from home or the nearest facility where internet access is available or from a suitable mobile device.

**Nelson Mandela University Mobile Portal:** To view the mobile version of the university Student Portal, enter <http://newportal.mandela.ac.za> into your internet-enabled device's browser. You will be prompted for a username and password. Enter your Nelson Mandela University username (mandela\s123456789) and password. The mobile version of the Student Portal will be loaded.

### Student cards

Please note that you are no longer required to renew your student card. This will be done automatically once you are registered as a student for 2018.

### Parking permits

## Sponsorships

Confirmation of sponsorship for 2018 must appear on official company letterhead and must be addressed to Nelson Mandela University. The letter of authority must be submitted annually to the Student Accounts section **before registration, but not later than 10 January 2018.** Letters of authority will only be accepted from pre-approved companies and are subject to the approval of Nelson Mandela University.

Sponsorship and bank loan confirmation letters must indicate that payments will be made directly to Nelson Mandela University and must contain your student number (an application for a loan or bursary is not acceptable). This letter must confirm sponsorship. Sponsorship letters may not contain commitment conditions and conditions that are subject to academic performance. The signee may not be the student or a relative. Such letters will not be accepted. Sponsorship documentation for current registration will only be considered if all outstanding debt is paid in full prior to registration.

The sponsorship amount should be equal to or exceed the upfront down payment required for 2018. You will be expected to pay the difference before registration if the sponsorship amount is less than the down payment required. Clearance must be obtained from the Student Accounts section before registration. **A copy of the letter**

should be in your possession during registration. E-mail sponsorship confirmation to [studentaccounts@mandela.ac.za](mailto:studentaccounts@mandela.ac.za)

**International students:** E-mail sponsorship letter prior to registration for approval to [intfees@mandela.ac.za](mailto:intfees@mandela.ac.za)

### **Nelson Mandela University administered awards/grants/bursaries**

The award/grant/bursary amount should cover the upfront down payment required for 2018. In all instances where the award/grant/bursary amount is less than the required down payment, you will be expected to pay the difference before registration **and** obtain clearance from the Student Accounts section. If the Nelson Mandela University award/grant/bursary amount exceeds the required upfront down payment, automatic clearance for registration is granted. **A copy of the award/grant/bursary letter should be in your possession at registration.**

### **NSFAS loans** (administered by Nelson Mandela University on behalf of NSFAS)

Successful NSFAS candidates with a family contribution of less than R8000 per month are not required to make a down payment before registration. Automatic clearance for registration is granted provided that all previous debt has been settled in full. In some instances, residence fees will not be covered by the NSFAS loan and the student will be required to make the residence down payment. An indicator is linked to successful NSFAS candidates.

### **Residence students**

**Please note that you have to pay:**

- ◆ the down payment towards your tuition fees **and**
- ◆ the down payment towards your accommodation fees
- ◆ a breakage deposit is applicable to all residence students. The relevant amount will be debited to your student account. The amounts vary per residence and are published in the 2018 Student Accounts Guide or are available on the Nelson Mandela University's website.
