

In memory of Prof Lungile Pepeta

We are deeply saddened by your untimely departure and mourn the loss of a great leader.

We will remember you for the inspirational leader you were, a man who has achieved so much yet still possessed a spirit of humility. An intelligent decision maker with an understanding of systems and how to improve them. A leader with an intuitive understanding of human nature, making you such a popular person with students and staff alike. Always smiling and able to inject some fun into sometimes very long and serious meetings, yet still get the job done. Thank you for your interest in and enthusiasm toward our department's success.

May you rest in peace.

Environmental Health department

Umzamo omhle uwuzamile Prof. Besisajonge lukhulu kuwe, kodwa uThixo uvumile ukuba ixesha lethu kunye nawe liphele sisajonge lukhulu njalo. Ubungumntu ebantwini, a leader at a time when leaders are scarce. Nangona uthule nje, kodwa imisebenzi yakho isathetha. We will remember you. -
Chwayita Sana

May your spirit find its rest in our Lord and Saviour Jesus Christ, the One who is able to do exceedingly abundantly above all that we ask or think, according to the riches of His glory.
