

HEY STEVE, WHERE
HAVE YOU BEEN? I
HAVEN'T SEEN YOU
FOR WEEKS!

HEY NOSI, I WAS
DIAGNOSED WITH
CORONAVIRUS. I
HAD TO STAY IN
ISOLATION SO I
DIDN'T SPREAD
THE VIRUS

NELSON MANDELA

NELSON MANDELA

NELSON MANDELA

OH NO!

ARE YOU FOR
REAL? HOW DO
YOU FEEL NOW
AND HAVE YOU
COMPLETELY
RECOVERED?
HOW WOULD
YOU EVEN
KNOW?

HA HA NOSI! SO MANY QUESTIONS! I FEEL MUCH STRONGER NOW, BUT IT REALLY WAS ROUGH, IT STARTED WITH A SORE THROAT AND I FELT UNWELL, A FRIEND SUGGESTED I GET TESTED FOR COVID-19. AFTER I TESTED POSITIVE, I HAD TO TELL EVERYONE I'D BEEN IN CONTACT WITH

NELSON MANDELA

HOW DO YOU KNOW IF IT'S TOTALLY GONE?

YOU ARE TOLD WHAT MEDICATION TO USE, INCLUDING IMMUNE BOOSTERS. IN MOST CASES, AFTER 14 DAYS OF ISOLATION AND TREATMENT, YOU ARE DECLARED COVID-19 FREE, I WOULD REALLY ADVISE PEOPLE TO FOLLOW THE NECESSARY PRECAUTIONS BECAUSE COPONAVIRUS IS NOT CHILD'S PLAY, A LOT OF PEOPLE HAVE DIED

I'M SO GLAD
YOU SURVIVED,
STEVE. LOOK
AFTER YOURSELF
AND STAY
SAFE!
