

Access to Nelson Mandela University
COVID-19 online self-screening tool *compulsory*

01

All staff, students and visitors entering Nelson Mandela University's premises must use the university's own self-screening tool.

02

Go to
<https://webapps.mandela.ac.za/screening>

03

After answering a series of simple questions via this link, you will receive the results of your screening.

04

Show this result, as you enter the University's gates and other key entrances on our campuses. The results are valid for four hours.

05

If your screening result is mild or high, please contact Student Health Services on **041 504 3204** or Occupational Health Services on **041 504 2045**.

Access is also only be permissible by scanning staff and student cards.
Visitors will also need to show their ID.
